TUITION ASSISTANCE SCHOLARSHIP APPLICATION

Scholarship funds are available to assist families who can not afford to pay the full tuition. In prior years, single parents, low-income families, and families that enroll more than one child at Red Cottage have been the ones most likely to receive tuition assistance. The *Tuition Assistance Scholarship Application* is available to current Red Cottage students in January and new students in February. Funds are limited and rewarded on a first come, first serve basis.

Would you like us to send you a Tuition Assistance Scholarship Application when it becomes available? Yes No
